Principal's Update

Sara Jacobs
Principal

Dear Parents and Carers,

We are delighted to share that Clyst Vale has been named the happiest school in East Devon. A five-year analysis of Ofsted Parent View data ranked us top in the region, with a 97% happiness rating. This recognition reflects our commitment to ensuring that all students who attend our College feel safe, happy, and successful. It is also a testament to the strength of relationships within our school community. You can read more in the Exmouth Journal's article,

[East Devon: Top 11 happiest secondary schools in 2025 named | Exmouth Journal](#)

We continue to be impressed by the commitment of our students beyond the classroom. This weekend, many will be participating in the Ten Tors challenge, while others are progressing with their Duke of Edinburgh Award. These experiences help build resilience, teamwork, and independence, and we appreciate your support in encouraging students to take part. Additionally, over the next two weeks, our Student Board representatives will be hosting a series of fundraising activities. This week, they organized a cinema and tuck shop event, raising valuable funds for our summer term colour run.

Rehearsals for our upcoming school production, *Beauty and the Beast*, are progressing brilliantly. It's been amazing to see students from all year groups actively participating, and we are anticipating a fantastic performance. Over 80 students expressed interest in being part of the show, with many attending an introductory workshop. We have conducted 50 first auditions and around 35 first callbacks. We are now down to approximately 25 students and are considering single or double casting for the 15 principal roles. The second round of callbacks will begin next Monday. The students have poured their hearts and souls into the audition process, facing a large panel of judges. Not getting a callback for a desired role can be challenging, but they have all demonstrated remarkable strength of character by putting themselves forward and being part of the process.

Next week, we celebrate Culture Week. Today, tutor groups were allocated different countries, which will form the basis for various activities throughout the week. Our Youth Cultural Champions will lead an assembly exploring how different cultures mark key events, and students will have the chance to share food from their own backgrounds. The week will conclude with our annual Talent Show on Friday, when students are invited to wear non-uniform in the colours of their allocated country's flag. We ask for a voluntary £1 donation, which will go to UNICEF. Contributions can be made via School Gateway or on the day—thank you in advance for your support.

Looking ahead, on Monday 24th March at 6pm we are holding the AGM of the PTFA where we are hoping to have enough interest to be able to form a PTFA committee. Everyone is welcome to come along and support, even if you do not wish to put yourself forward for a committee role. A reminder that the last day of term is Friday, 4th April, with the usual 3:20 pm finish. Students will return to College on Wednesday, 23rd April.

Thank you for your continued support and a special thank you this week to all parents and carers who attended the Year 10 Parents' Evening this week. Your engagement is invaluable, and these events provide an important opportunity for us to work together in supporting your child's progress.

Wishing you all a restful and enjoyable weekend.

College News

Over the last 3 weeks, Space Youth Services have been running lunch time rewards events in the sports hall with activities including zorbing, inflatable archery and sumo wrestling. Students were chosen to attend by their form tutors and Heads of Year and were selected for having an excellent first half of the school year; they might have worked especially hard in lessons, taken part in extra-curricular activities, have a high number of praise points or no behaviour points.

Further information about Space Youth Services can be found on their website:

Well done to Daisy who ran in the National Schools Cross country last weekend and came a very respectable 110 out of 310 competitors.

Great running also to Jasper Forty who also ran in the Nationals and came home an excellent 54 out of 356 runners.

Badminton Report

The season is largely over, but the club is still going strong on Mondays and Wednesdays and so it was with a full 14 student squad that we headed up the M5 to Tiverton High School for a friendly fixture. Three teams of Key Stage 3 boys led by Harvey, Edward and Stan all looked strong on paper and with a few new faces in Harry and Elliot the side were always going to challenge the hosts. The team of Harvey, Harry, Dexter and Archie looked polished and some super tactical play coupled with some power shots won through their games. In the second squad Edward marshalled his troops who had Max in the line up after missing earlier events with rugby commitments. All the lads shows real tenacity in some tense and close exchanges. Elliot is still pushing for an A team spot whilst Tristan swapped easily from doubles to singles in his games. The third squad were a joy to watch as they battled hard in every game, Stan's variation in depth dominating proceedings as well as Ewan's clever drop shots. New boy Elliot was well practiced and did not look out of place in his doubles and Freddie was as always industrious and energetic.

The final four places on the bus were taken up by the KS3 girls led as always by Kasey. Her play has improved hugely over the year thanks to her efforts in school, but also with outside clubs. Playing against older girls they team including the effervescent Aimee plus Raisa and Merryn played well in all their games with Kasey showing a huge variety of stroke play.

A super outing for all the students and thanks to Tiverton for hosting.

British Science Week 2025

Last week saw Clyst Vale joining schools across the country to celebrate British Science Week with a range of fun activities.

Science club made slime balls, which was very popular! Bright colours and bouncing test all checked off and great fun was had by all!

Some of the more adventurous Year 9 students joined in with a fish dissection to get excited for the triple science GCSE course!

Year 7 have also enjoyed a science treasure hunt round the school, trying to find members of staff wearing themed badges that they have to identify. Congratulations to the winners!

Thank you to all the pupils (and staff) who joined in this week and remember; if you are in Year 7 or 8 Science club is on a Week B Tuesday lunchtime – See you there!

Sports Captains Pickleball Experience

On Tuesday a selection of the Key Stage 3 tutor group Sports Captains travelled to an invite only Pickleball event at Tiverton High School. The sport which is new to the UK and growing in popularity as a school's version of the current in vogue Padel was provided as an opportunity to consider it as a future curriculum activity at Clyst Vale. Tiverton provided all the equipment, opposition and some of their own KS4 sports leaders to help train up our young players. As you might expect, after a few teething problems, our students played brilliantly and matched the opposition with only an hour on the court to learn the rules and pick up the techniques. The atmosphere was superb with friendliness the focus from Tiverton and a welcome and open mind from our own students. Year 7s included Alex, Reid, Freddie and Lila who all showed an incredible learning curve on court and high level of skill and agility in matches. Year 8 had equal talent in Bettie, Isobelle, Sonny and Joe, although it took the rugby boys a little longer to find a rhythm between ground strokes and volleys. The older students were the ever industrious Freddie and the ever enthusiastic Ruthie. Again, the students took a little longer to get to grips with the new sport, but eventually Ruthie was delighted with her serving and Freddie was

volleying like a Pro! A great experience and the general view was that this is a sport we need to introduce along side our existing racket sports of badminton and tennis. Thank you to all that attended and offered their 'student voice' to share their thoughts on this new sport.

Y10 Netball

Monday 18th March saw the last league game for our Year 10 girls in Netball. The squad have progressed massively as a team.

We played Kings and netted the lead early in the game with our attackers working well. Kings fought back and it was a close score line at half time.

Clyst Vale tightened up in mid court and works so hard gaining lots of turn over ball and the interceptions making us keen on the attack and taking the lead again.

Mid court worked on a set piece to keep the score line healthy striving ahead with the goals and with good width and space allowing good movement into the D.

The fitness of our defence was tested as they were busy all evening and kept Kings away with some good marking.

Overall it was another good performance by Clyst Vale and we took the win of 26 to 18.

We have some more friendlies organised so we look forward to playing them too.

Post 16 News

Darcy and Liv were joined by Mrs Roberts on an extremely poignant trip to Auschwitz-Birkenau in Poland on Wednesday, with the Holocaust Education Trust. This is an emotionally challenging experience which has involved preparation sessions beforehand, and debrief sessions to follow. We will publish a report from the trip next week once the students have had some time to process their experience.

On Thursday, BTEC students received results from their January exams. Congratulations to all those students who were delighted with their grades! Hopefully the results brought no unwelcome surprises for anyone – any students or parents with concerns following these results should contact us in the first instance.

Performing Arts students have had a very busy week preparing for a performance that they will stage next week. There have been set props and costumes galore appearing in the Post 16 block, including a gigantic spider's web... The mind boggles! Good luck to these students with next week's show.

In Tutorial next week we look forward to welcoming members of the fire and police service, who will deliver a Learn2Live session on safe road use to all of Post 16.

And on Thursday, students from Y12 and Y13 will join with a select group of Shakespeare enthusiasts from GCSE classes to enjoy a day in Stratford, visiting sites of cultural significance, attending educational workshops and finally enjoying an RSC production of Hamlet. Everyone involved is really looking forward to this trip!

Weds 26th March - Learn2Live (safety on the roads)

Both Y12 & Y13 will join together for this important session, delivered by members of the fire service and other emergency responders. "Learn2Live aims to support young people to behave in a way that maximises their safety when using the roads."

Weds 30th April

Adam Williams will join Y13 in Tutorial for his final input prior to exams, on managing stress and anxiety and getting the best from themselves in the exam room.

Year 7 Wellbeing and Mental Health support- 10 a day

The year 7s started tutor group sessions with the Mental Health Support team this week. Before Easter each tutor group will receive a session where they will discuss wellbeing and the benefits of 10 a day. They discussed the importance of eating well, drinking water, connecting with people and what they were proud of in their session and came away with a plan to help them make some minor changes to improve wellbeing. In particular we focussed on spending time outside and exercising as well as the importance of taking a break from technology.

This will be the next topic we more onto in Course 42 and it was brilliant to have two Mental Health practitioners from the NHS working with the students as an introduction.

Please take some time to discuss 10 a day with your year 7 child and see what ideas they have come up on their self care plans with over the next few weeks. You may even want to write your own- see the attached document.

Attendance, Absence and Requests for Absence

Reporting an Absence

Parents are expected to inform us of their child's absence before 9.00 a.m. on each day of absence providing the reason for absence. If the absence continues beyond the first day, please contact the College on each subsequent day of absence, too. To comply with safeguarding obligations, we cannot simply assume a student's sickness absence is ongoing; we need to be certain that the reason for absence is due to continuing illness. If you do not notify the College, then we will make contact with you to identify the reason for absence. This is important as it helps to reduce unauthorised absences and truancy. In addition, the College may ask you to provide medical proof if your child is absent from College due to illness.

Lateness

The school day (first registration session) starts at 8.50 am, all students are expected to be in their classroom at this time.

Medical Appointments

We encourage students to maximise their levels of attendance; research indicates a direct link between attendance and examination performance. The timing of many medical appointments means that often students can attend school first and return afterwards. By doing so, students minimise missed learning whilst keeping their attendance levels as high as possible. We ask that parents/carers send their child into school for morning registration, even when a medical appointment takes place in the middle of the morning. Similarly, appointments scheduled for the afternoon should, where possible, be arranged after Period 4 - during lunchtime. Students are encouraged to return to school after a lunchtime appointment if they can.

Please give the school as much notice as possible, at least two weeks' notice is useful.

If the appointment requires the pupil to leave during the day, they must be signed out by an adult listed on the student's record at the main reception.

Please follow this process if your child is going to be absent from school:
