

"I really think a champion is defined not by their wins, but how they can recover when they fall." – Serena Williams.

Principal's Update

Sara Jacobs

Principal

Dear Parents and Carers,

Today marks a particularly meaningful moment in our school year as we say goodbye to our lovely Year 11 students. This cohort began their journey in Year 7, the same year I joined the College, and it has been a privilege to witness their development into the confident, capable young people they are today.

This morning's celebration was a rewarding occasion for all staff who were able to take part or observe. Our students emerged from their English exam beaming with confidence before enjoying time with their peers and tutors—taking part in the much-loved traditions of shirt signing, speeches, and a presentation of (mostly!) embarrassing school photos. The warmth and mutual respect between students and staff was evident throughout, a testament to the strong relationships that have supported their success and wellbeing.

A special thank you to Mr Pearce for organising a thoughtful and symbolic gesture: students were treated to a free ice cream in exchange for donating their school tie. This small act was warmly received and added a joyful note to the day's events.

As Year 11 students now begin their study leave, a reminder that they are only required in College for their exams. If they have both morning and afternoon exams, they are expected to remain on site, where a supervised study room is available. Teachers remain on hand to support any student who wishes to attend their usual timetabled lessons or revise in College.

Thank you also to all parents and carers who have sent kind messages and thoughtful gifts—your support means so much to our staff and is deeply appreciated.

In other news, a group of our students recently took part in interviews to share their views on a new app being trialled to deliver GCSE and A Level results. They were mature, articulate, and a real credit to the College. While they recognised the convenience of the app, their overwhelming preference was to come into school to receive their results in person—highlighting just how much they value celebrating alongside friends and staff. It's a powerful reflection of the strong sense of community we foster here.

And finally, congratulations to the students and staff who enjoyed glorious weather on Dartmoor yesterday and today as they completed their Silver Duke of Edinburgh expedition. A welcome change from the usual rain, the group made the most of the sunshine—demonstrating teamwork, positivity, and determination throughout. Their conduct was exemplary and a true reflection of the spirit and character that define our College.

Have a half term break and we look forward to welcoming students back to College on Monday 2nd June.

Sara Jacobs

Principal

Year 13 students continue to impress with their approach to their A-level exams, with some very encouraging reports on papers being fair and containing topics students had hoped would come up. This has been a positive beginning and will hopefully continue with the papers timetabled after half term. During study leave, it has been great to see many students taking their teachers up on the offer of structured revision classes in school in the regular timetabled slots, in the run-up to the final exams. Keep up the good work!

Thank you to all Y13 parents and carers who have responded to the Prom invitation on behalf of your child, replies and payment are requested by Friday 23rd May. Please refer to your emails for more details and contact Sue Voysey (voyseys@clystvale.org) if you have any queries about this.

Some Year 13 students who have applied through UCAS are still to confirm their choices. The deadline for doing this is 5th June and we strongly recommend that students book a brief catch-up with Miss Haynes to discuss and 'sense check' their plans, before finalising their decision and hitting that button!

Year 12 are now focussing in on preparation for their June exams, as well as ensuring all arrangements are in hand for their work experience week in July.

Key Post 16 dates for diaries for the remainder of the summer term are:

Fri 20th June: last A-level exam and Y13 Prom (6.30pm)

Tues 24th – Fri 27th June: Year 12 end of year exams

Thurs 26th June, 6pm-7pm: Year 12 UCAS information evening (for parents/carers)

Mon 30th June: Year 12 visit to Plymouth University

Weds 9th June: Sports Day (all of Year 12 expected in school)

Fri 11th July: Y12 Post 18 Preparation Day + final celebration assembly with BBQ lunch

Mon 14th July – Fri 18th July: Year 12 work experience week

A-level results day – as we are sure you are aware – is Thursday 14th August. We will be in touch nearer the time with more details about this. This is the date when A-level, BTEC, AS and Y12 end-of-year internal exam results will be issued to students, in school.

Wishing you all a pleasant bank holiday weekend and half term week with a good balance of rest, relaxation and revision.

College News

ITV News West Country

ITV News West Country

It was a pleasure to welcome regional presenter Richard Lawrence and videographer Matt Cardy to Clyst Vale yesterday. They came to interview a group of Year 11 students about their views on an app being trialled by the Government whereby students can receive their GCSE results digitally.

The confirmation email arrived at the same time as the reporters arrived in reception and so with little notice, the students were plucked from their lessons with only minutes to adjust their hair and ties! The unprompted responses from all of the students was that they really value coming to school to collect their results in person as this is both a ritual and an opportunity to receive support from their teachers and to thank them for their support. The students presented themselves brilliantly and with not so much as a practice or second take, gave their responses in a perfectly clear and concise manner.

Well done to Harry, Aaron, Sam, Lucy, Millie and Shola for representing Clyst Vale so amazingly.

We can't wait to see the news report, which should be aired within the next 10 days.

Modern Foreign Languages

¡Hola! Salut!

COMPETITION CORNER

Design a calligram based around a French/Spanish word or sentence. The finished design must look like an image of what you have just written.

Submit a photo to your MFL teacher for a chance to win.

Competition closes: Fri 23rd May at 4pm

MONTHLY QUIZ

1. How do the French celebrate Labour Day on 1st May?
2. What happens on May 5th in Mexico?
3. What is the 'Snow Star' festival in Peru?
4. Where does Cheese Rolling take place in the UK?
5. What is the Hamamatsu Kite Festival? What date does it take place?
6. What is the Cheung Chau Bun Festival in Hong

The shortest grammatically correct sentence

The command "GO!" instructs a person to take action – here the subject isn't written or spoken, yet it is immediately understood!

Revision tip

Exeter v East Devon Athletics Meeting

Well done to the seven students from Clyst Vale who competed on Thursday evening at Exeter Athletics Arena.

The competition was tough as country round selection was up for grabs. Joe jumped well in the long jump 4m49cm and George ran to a respectable 25.47secs in the 200m. Willow ran beautifully in the heat over 800m clocking 2mins 39secs. Qualifiers include Evie in the high jump 1m 37cm, Daisy in the 1500m 5mins 26secs and Jasper over 1500m 4mins 26 sec. Harry managed to qualify in both his favoured Triple Jump 11m 99cm and also Long Jump! A super evening of athletics although the wind made some events a challenge.

Tiverton's Mayors Cadet of the Year 2025/2026

Congratulations to Katie in Year 9 who was recently awarded the honour of being appointed Tiverton's Mayor's Cadet of the Year in a ceremony held at Tiverton Town Hall.

As part of the ceremony, a sword was passed over to Katie from the previous Marine Cadet. In her role Katie will accompany the Mayor to events throughout the year.

Katie is part of the Tiverton Sea & Royal Marine Cadets, TS Hermes.

Well done Katie and good luck in your role!

Y11's Last Day

Today we celebrated our Year 11's time with us as they head off to commence their study leave.

Celebrations included speeches, photos, shirt signing and ice creams in exchange for donated school tie's!

Good luck Year 11 with the rest of your exams and your next steps.

REHEARSALS!!! REHEARSALS!!! REHEARSALS!!!

REHEARSALS BEGIN MONDAY 2ND JUNE IN PA1

**(Monday rehearsals are for the entire cast: singers, dancers, principals)
ALL WELCOME. You don't need to have auditioned.**

Principals can pick up a summer audition schedule from outside PA1 on June 1st

Maths News

A massive congratulations to Y7 students Hattie and Evan this week from the Maths department.

These two students have been selected for an ongoing enrichment project with Exeter Maths School. To even be considered for these positions is an achievement as students must be nominated by their Maths Teachers. Hattie and Evan were then selected and awarded a place despite the course being hugely over-subscribed.

Well done to both students - a real testament to your hard work and effort in Maths this year! we look forward to seeing and hearing about the sessions in due course.

Attendance, Absence and Requests for Absence

Reporting an Absence

If your child is absent due to illness or a medical appointment, please report their absence, along with the reason, via the My Child at School **desktop browser**. Alternatively, you can complete the Absence Notification Form using the link below or email :

studentabsence@clystvale.org.

[Absence Notification Form](#)

If your child is in Year 12 or 13, please report their absence to voyseys@clystvale.org.

Absences must be reported daily for the duration of your child's absence.

If you know in advance that your child will be away from school, please inform us at your earliest convenience.

Additionally, kindly notify us of any lateness or scheduled appointments.

The school actively follows up on unexplained absences. If your child is absent for an unauthorised event, the details may be referred to the Educational Welfare Service which could result in a fixed penalty notice. Please be aware that the College may request supporting documentation for any absence.

Typically, work is not provided for students during their absence, as our priority is to ensure they recover fully and return to school as soon as possible.

Lateness

Attendance is formally recorded twice daily: in the morning at 8:50am and in the afternoon at 2:10pm. It is essential that students are prepared to begin their tutor period promptly at 8:50am and are punctual for each subsequent lesson.

As required by law, registers must be taken in a timely manner, and there are consequences for lateness. Students who arrive after registration closes will be marked as late, and those arriving after 9:25am will receive an unauthorised mark.

If a student is absent without prior notification, we will inform parents/carers as soon as possible if your child has not arrived at school in the morning. To ensure prompt communication, parents/carers are strongly encouraged to keep their contact details up-to-date via the Bromcom App.

Attendance is recorded during every lesson to monitor internal truancy and comply with safeguarding regulations. Students are required to sign in upon late arrival or sign out if leaving during school hours. Parents/carers must notify the school and provide a valid reason for their child's departure.

No student may leave College without authorisation from staff under any circumstances.

Students feeling unwell must report to reception and are not permitted to contact parents directly through phone calls, texts, or messaging apps to request collection.

Medical Appointments

We encourage students to maximise their attendance, as research highlights a strong correlation between regular attendance and examination success.

Many medical appointments can often be scheduled in a way that allows students to attend school both before and after their appointments. By doing so, they can minimise missed learning opportunities while maintaining high attendance levels.

We kindly ask parents/carers to ensure that their child attends morning registration, even if a medical appointment is scheduled later in the morning. Similarly, where possible, afternoon appointments should be arranged after **Period 4**, during lunchtime. We also encourage students to return to school following lunchtime appointments, if feasible.

Thank you for your continued support in helping your child achieve maximum attendance and academic success.

Supporting Learning at Home

BROMCOM

What financial support can parents get?

Juggling home and school life is tough for every parent, but there are some financial support options available. Find out what you could be entitled to by following this link

[Supporting learning at home | Parentkind](#)

Please do not address emails, or any replies to Bromcom messages, to bromcom@clystvale.org.

It is an unmonitored mailbox and will not go to anyone. Parents/carers need to reply to Bromcom messages via the app, online, or via email, as this will then be directed to the staff member who sent the message to you. Or, please contact the teacher or admin@clystvale.org. There is also a contact form and other details below:

Reception/Student Services or
the donation point *(coming soon)*.

THANK YOU

Dear Parents/Guardians,

As we come towards the end of the spring term, we write to you with the latest updates from Exeter College.

College Applications

If your young person is planning on studying at Exeter College in September, it is likely they have now completed an application form and received an offer for their chosen course.

If your young person has not yet applied, please note that **we are still accepting applications** and have one further interview night on 25 June between 5 - 7.30pm. We'd encourage them to apply as soon as possible to give them the opportunity to attend an interview in June and secure an offer of study.

Preparing for College

Communications from College

Exeter College sends regular, important communications on topics such as the travel scheme, flying start work and enrolment via email to all applying students. We therefore ask that you encourage your young person to check their emails regularly (including their junk/spam folders) for any useful college emails. Please remember to let us know if the contact email addresses on your young person's account need to be updated to aid communication.

Flying Start Activities

To help new students feel better prepared for their studies at Exeter College we ask them to complete some subject preparation tasks over the summer holidays. These Flying Start activities get students thinking about the courses they're going to study by completing engaging tasks to develop some of the skills and knowledge they will gain at College. All students who have been offered a place at Exeter College will be emailed links to the Flying Start work for their subjects/course in July.

Travel Pass

All full-time learners who live more than 3 miles from College are eligible for the Exeter College Travel Pass Scheme. The scheme provides discounted travel passes for buses and/or trains, regardless of household income. Additional, means-tested discounts are offered to eligible students to further support with the cost of travel as part of our bursary scheme. For detailed information on the support available follow the link below.

Bursary - Applications are open

In addition to the Travel Scheme, we offer a student Bursary Scheme to help ensure that financial constraints don't present a barrier to accessing an outstanding education. The threshold to qualify for the bursary is currently £30k per year (maximum household income), although students who live more than 3 miles from College and whose household income is between £30-£50k can apply for additional travel scheme discounts.

The bursary amounts vary depending on financial circumstances, but the bursary can pay for essential college costs such as travel, free meals, academy fees, books, and specialist uniform, amongst other things.

College Academies

Our Academies

If your young person would like to apply for any of our Academies, they can do so via the homepage of their existing application.

Please be aware that applications for our Sports Academy and Reach Academy are now closed.

For further advice please contact the College Advice Team or follow the below link.

College Enrolment

Enrolment will take place between 22 August - 1 September

It is essential that students attend their enrolment appointment in person.

What is enrolment?

At enrolment each learner will meet a lecturer to discuss their GCSE results and sign up for their course. Please rest assured that support will be available for students to find an alternative course option if they haven't met the entry requirements for their chosen course. Learners will receive their student ID card, find out about the start of term and can speak to staff from the travel and bursary, learning support, wellbeing and EXtra teams.

Students will be sent a letter and email with the details of their enrolment appointment at the start of August, as well as a text. It is essential that students attend their enrolment appointment in person so that they can accept their offer of study. Those learners who have started working for an apprenticeship employer will be informed directly of their enrolment, which may take place in the workplace.

If your young person is going abroad for the duration of our enrolment period, they will need to inform our admissions team. Please contact admissions once they receive their invitation to enrolment using the details that will be provided, so that we can try to make alternative arrangements for them to enrol.

After enrolment we will look forward to welcoming our new students to College for their
Induction Day on Thursday 4 September.

For more Information and Advice

The College Advice Team will be delivering small group tours of our City Centre sites on Tuesday 27 May at 10am (during half term). To book onto this tour, please call us on **01392 400600** or email cat@exe-coll.ac.uk.

If you or your young person have any questions or need further advice regarding their future studies at Exeter College, please do not hesitate to contact the College Advice Team. We are available all summer to provide ongoing support, including on GCSE results day.

We hope that you've found these updates useful. We would like to wish all Year 11 students the best of luck in their upcoming GCSE exams, and we look forward to welcoming them to Exeter College in September.

Best wishes,
College Advice Team

EXETER COLLEGE NEWS

Travel Pass Scheme

As you may already be aware, all full-time learners who live more than 3 miles from College are eligible for the Exeter College **Travel Pass Scheme**. The scheme provides subsidised travel passes for buses and/or trains, regardless of household income. We can provide further support with the cost of travel for households with an income of below £50k per year, and for any learners with a household income of £30k or below, their travel to College will be free of charge. For detailed information on the varied levels of financial support that are available, please click on the link below.

Bursary

In addition to the Travel Scheme, we offer a student **Bursary Scheme** to help ensure that financial constraints don't present a barrier to accessing an outstanding education. The bursary is currently available to students whose household income is below £30k per year, and can help with the cost of travel, free meals, academy fees, essential books, and specialist clothing amongst other things. Bursary applications are now open. For the most up to date information, please click the below link.

- **Beefeater:** Two children get free breakfasts with every adult breakfast purchased.
- **Sainsbury's:** Sainsbury's cafes offer one free child's hot meal or lunch bag for £1 with any adult main meal purchased over £5.20. This offer is available every day from 11:30am until café closure. Children's mains include one main, 3 sides a drink and a piece of fruit.
- **Bella Italia:** Children eat free all day every Thursday and for £1 between 4-6pm, Sunday to Wednesday. Kids can enjoy three delicious courses and a drink! Meals are suitable for 2–11-year-olds.
- **Ikea:** Children can enjoy a pasta meal and tomato sauce with a soft drink for 95p or any other Children's Meal for £1.50 every day from 11am. On Friday's children get tomato pasta, a drink, and a piece of fruit for just 45p.
- **Premier Inn:** At Premier Inn, you can enjoy their all-you-can-eat Breakfast for just £9.99 and up to two children under 16 eat for free.
- **Travelodge:** At Travelodge, you can enjoy their all-you-can-eat Breakfast for just £9.75 and up to two children under 15 eat for free.

- **You Sushi:** Children eat free all day (Monday-Friday) during all school holidays when dining with a full-paying adult (minimum spend £10).
- **Bills:** Up to 2 children can eat free all-day Monday-Friday, if one adult orders any main dish(breakfast, lunch or dinner). Excludes Saturdays and Sundays.
- **Brewer's Fayre:** Up to two children under 16 eat a free unlimited breakfast with every adult breakfast purchased.

For more information please visit: [Places Kids Eat Free \(or for £1\) In School Holidays 2025](#)

Online Open Evening Thursday 5th June 2025

We are excited to be hosting an Online Opening Evening, aimed at Year 10 students and their families, on Thursday 5th June at 5.00-6.00pm.

We are an outstanding state-funded (ie no fees!) specialist Maths sixth form in the heart of Exeter. All of our students study Maths and Further Maths A Levels, and at least one of either Physics or Computer Science with us. If students want to study a different fourth A Level, they can do so with our neighbours at Exeter College. We also deliver an expanded curriculum to all students, including the Exeter Maths Certificate (EMC), which includes project research, to help prepare students for the skills they will need if they go on to university.

Our catchment area has long included Cornwall, Devon, Dorset and Somerset and for applications from next year will now include Bristol, Gloucestershire, South Gloucestershire, Wiltshire and Swindon. Around a third of our students live in the wider South West region and stay in our boarding facility from Monday to Friday.

Our Headteacher Kerry will introduce the Open Evening with key information about the school and admissions, we will hear from some of our students about their experiences, and there will be an opportunity for some Q&A.

Students and their families who would like to attend the Open Evening can sign up to express interest at

<https://bit.ly/EMSopen25>

Note, this is not the meeting link. Closer to the event, the meeting link will be sent to those who have signed up.

We will also be hosting Taster Days in Exeter, later in the year when students have started Year 11.

These will include workshops with our teachers in each of Maths, Computer Science and Physics.

You can read more about our admissions process here - [Exeter Maths School | How It Works](#)

FIND OUT ABOUT ARMY CAREERS

Join the biggest team you'll ever be part of - a career with the Army offers you an opportunity to develop yourself and your skills alongside people who share the same values as you.

We have roles available in a wide range of areas that we are recruiting for now.

From adventurous training to being paid to play sport, there are so many opportunities in the Army to do more than the everyday. You'll make friends for life, get qualifications that will benefit you in your career and beyond and be part of a team that will be with you every step of your journey.

Come and meet us at our next event near you:

Experience the Workplace with the British Army! Free 1-Day Programme for Years 9 - 13 Students 27th, 28th, 29th OR 30th May
Time: 10:00 AM - 3:00 PM Wyvern Barracks, Barrack Road, Exeter EX2 6AR
Cost: Free (Just bring a packed lunch)

<https://forms.office.com/e/GUFzkSGMu8>

**SEARCH
ARMY JOBS**

During the May Half Term, we are offering Year 9, 10, 11, 12 & 13 students a **free** opportunity to participate in our **1 Day British Army Experiences of the Workplace** programme.

When: 27th, 28th, 29th OR 30th May 2025

Time: 10:00am until 15:00

Where: Wyvern Barracks, Barrack Road, Exeter EX2 6AR

How much: Free, just bring a packed lunch and drink

Who for: Year 9, 10, 11, 12 & 13 students from Devon schools and colleges

This 1 day programme is an opportunity for students to learn about different jobs and sectors, and to see how their academic subjects relate to the world of work. It also helps students to develop skills that are valuable for their future careers, such as communication, teamwork, problem solving, and adaptability.

Places are limited, and in the case of oversubscribing, we will endeavor to offer a place in future programmes to those who are unable to attend this one.

Link to apply - <https://forms.office.com/e/GUFzkSGMu8> or follow the QR code below.

Deadline to apply: Friday 16th May 2025

Application outcome notification: w/c 19th May 2025

If you have any questions, don't hesitate to get in touch with either myself or Simon Hebson
Simon.Hebson101@mod.gov.uk

We look forward to receiving your applications.
